

Elm Loft – Dog owners

We welcome pets on our property but we respectfully ask for your attention to the following:-

Please keep dogs off the furniture

Normally we welcome you to use our garden for you dog, but sadly these are not normal times so for now we ask for your understanding. However, we know how annoying it can be to have to take your dog/s for a walk first thing in the morning and last thing before bed so please do allow them to go into the garden, on a lead. There is a red poo bin opposite the house next door.

Please do not leave pets unattended in the property. The White Horse pub is very dog friendly.

There are miles of dog walking nearly on the doorstep, without having to use the car. Most dogs love a run on the beach. This link tells you which beaches have restrictions:-

The river is safe for dogs to swim but please look for warning notices on the broads, and still or non-tidal water, for blue-green algae which can be serious for dogs.

Hopefully you won't need it but just in case our local vet is The Anchorage, South Walsham Road, Acle – 01493 750255
